*"I am the Alpha and Omega, the beginning
and the end, the first and the last."*

Revelation 22:13

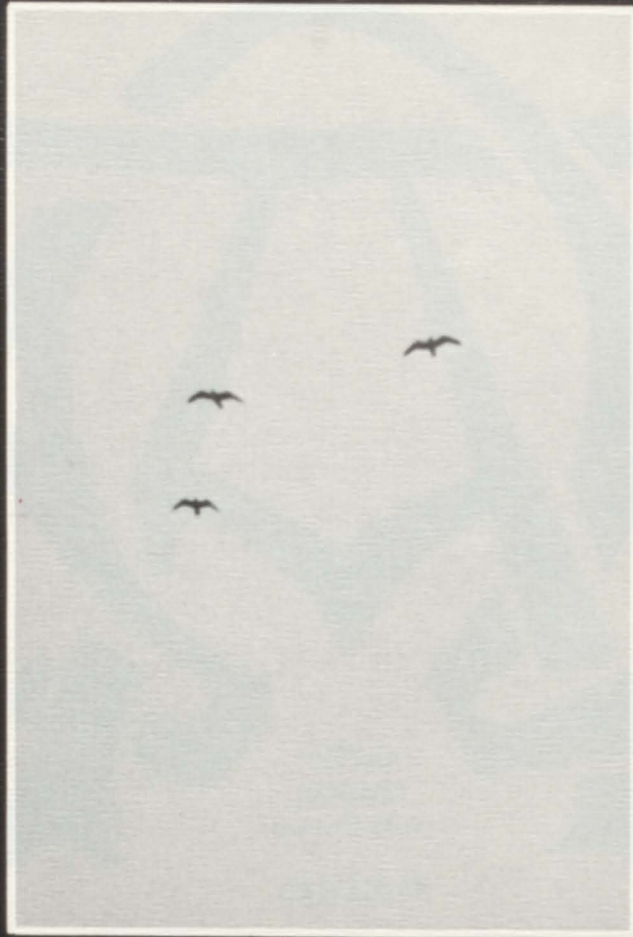

SPIRE 1974

*Lord Make Me an Instrument
of Your Peace;*

*Where There Is Hatred,
Let Me Sow Love;*

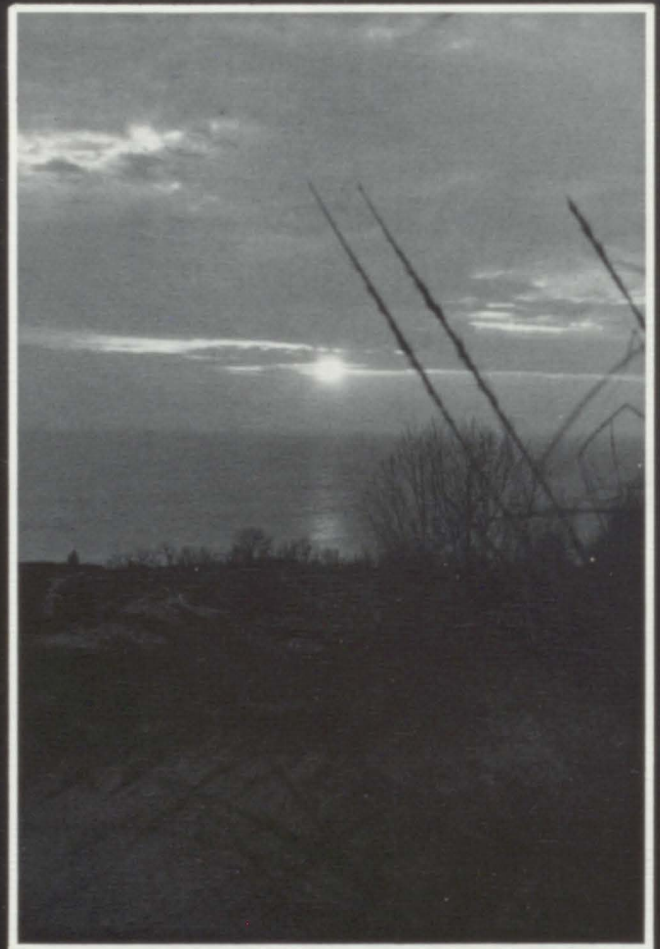

Where There Is Injury,

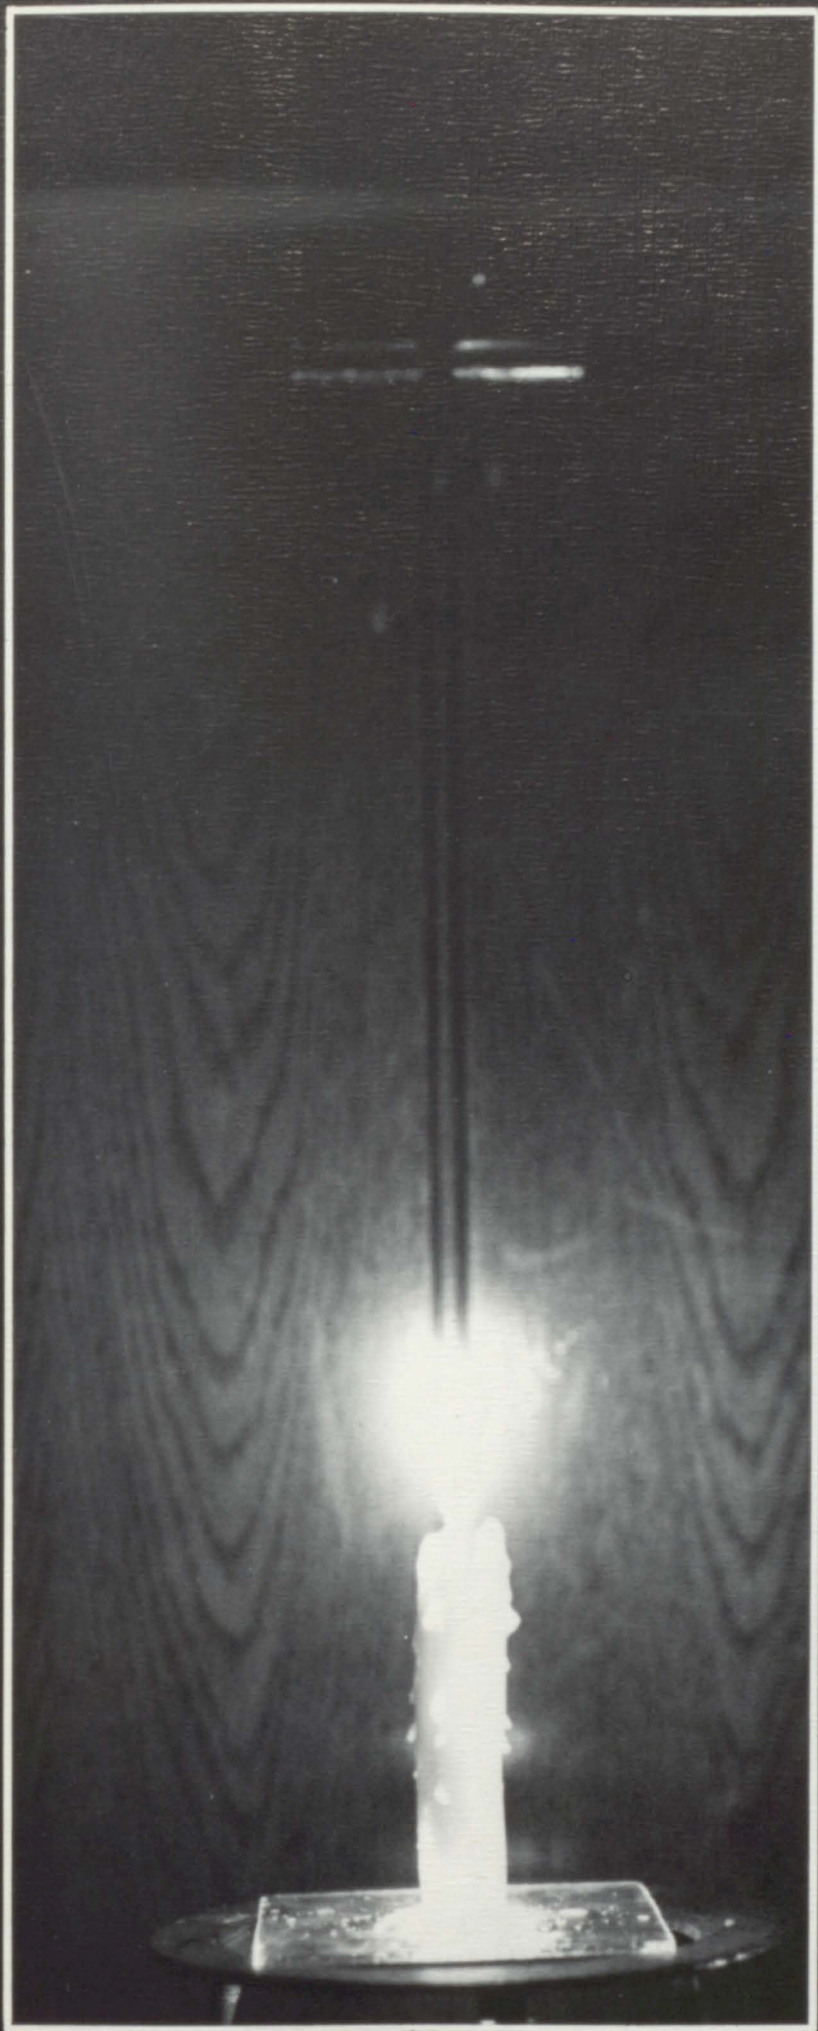

Pardon;

*Where There Is Doubt,
Faith;*

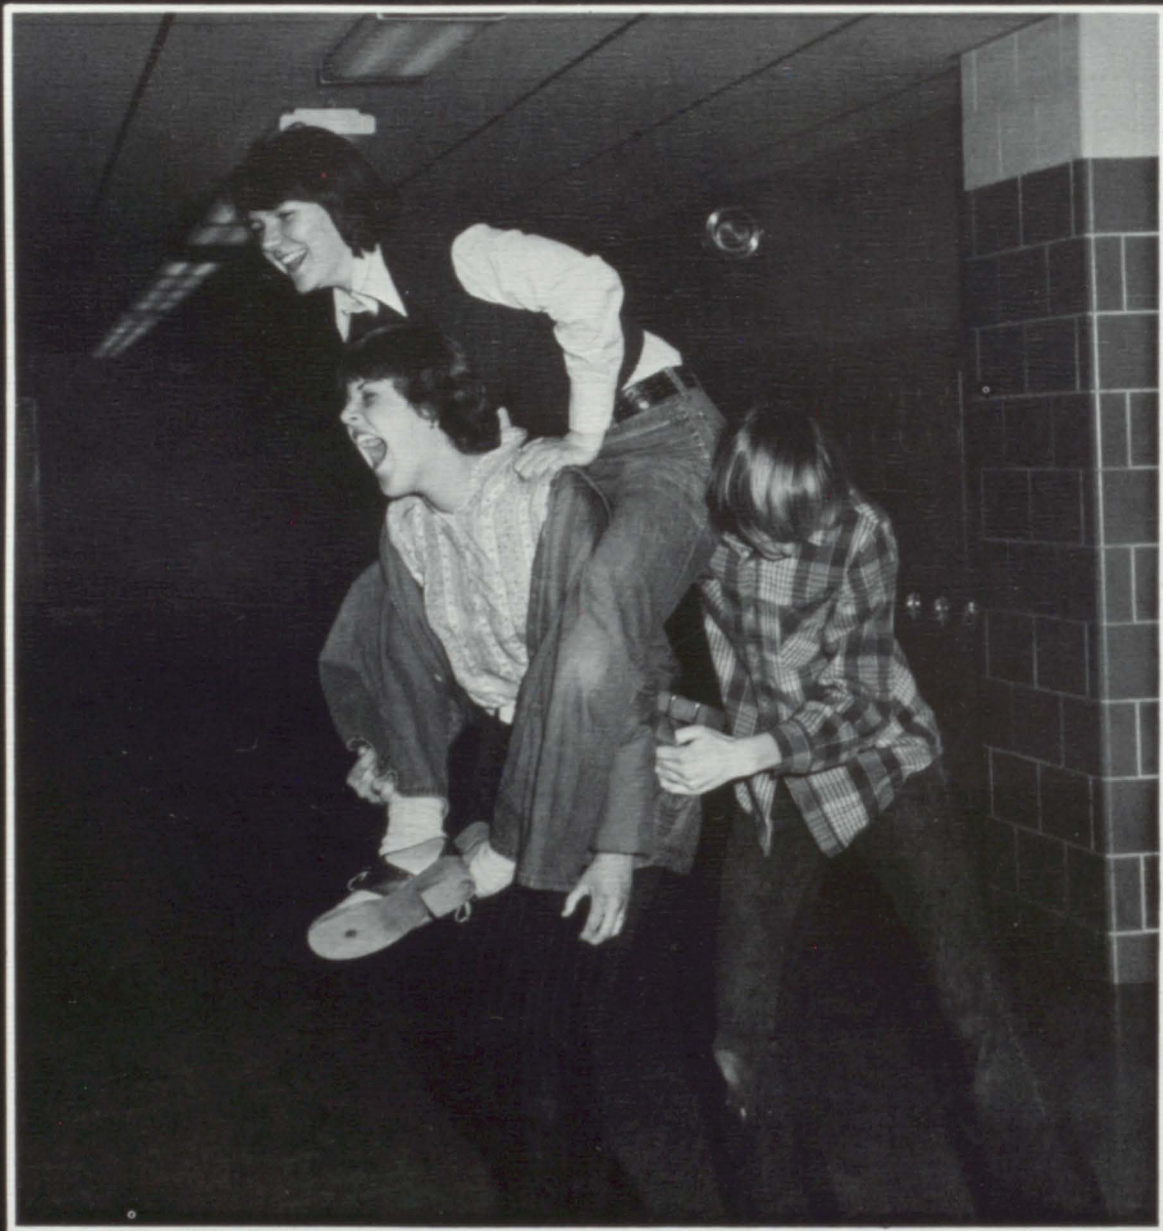

*Where
There Is
Despair,
Hope;*

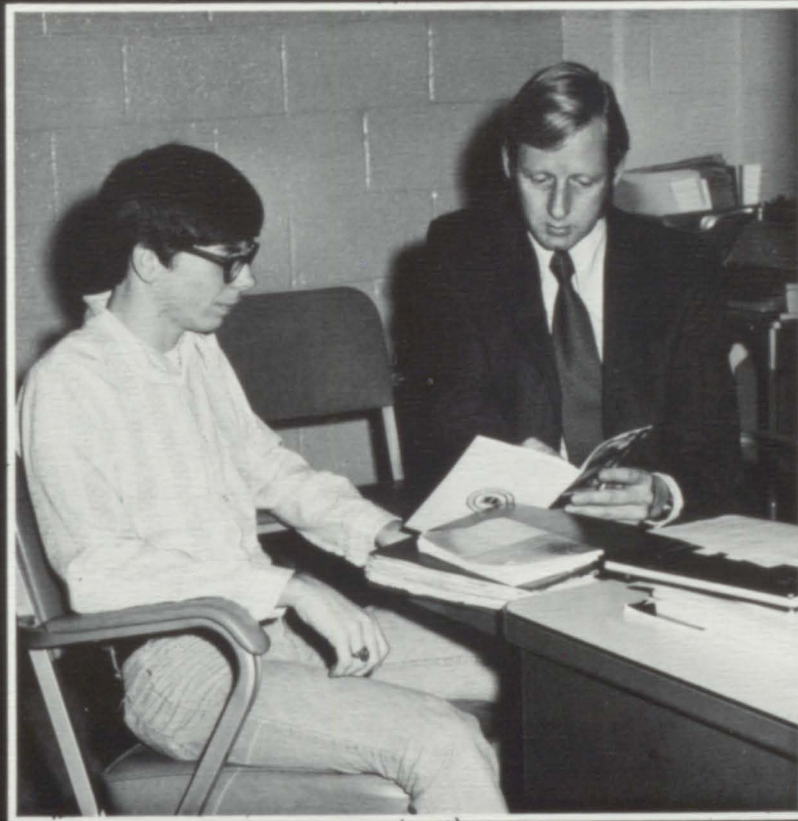

*Where
There
Is
Darkness,
Light;*

*And Where There Is
Sadness, Joy.*

*O Divine Master,
Grant That I May
Not Seek So Much to
Be Consoled*

As to Console;

*To Be
Understood
As to
Understand;*

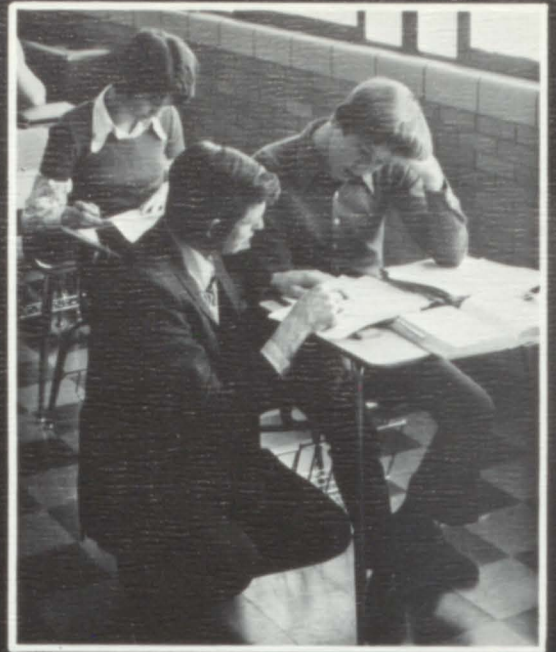

To Be Loved

As to Love;

*For It Is in
Giving*

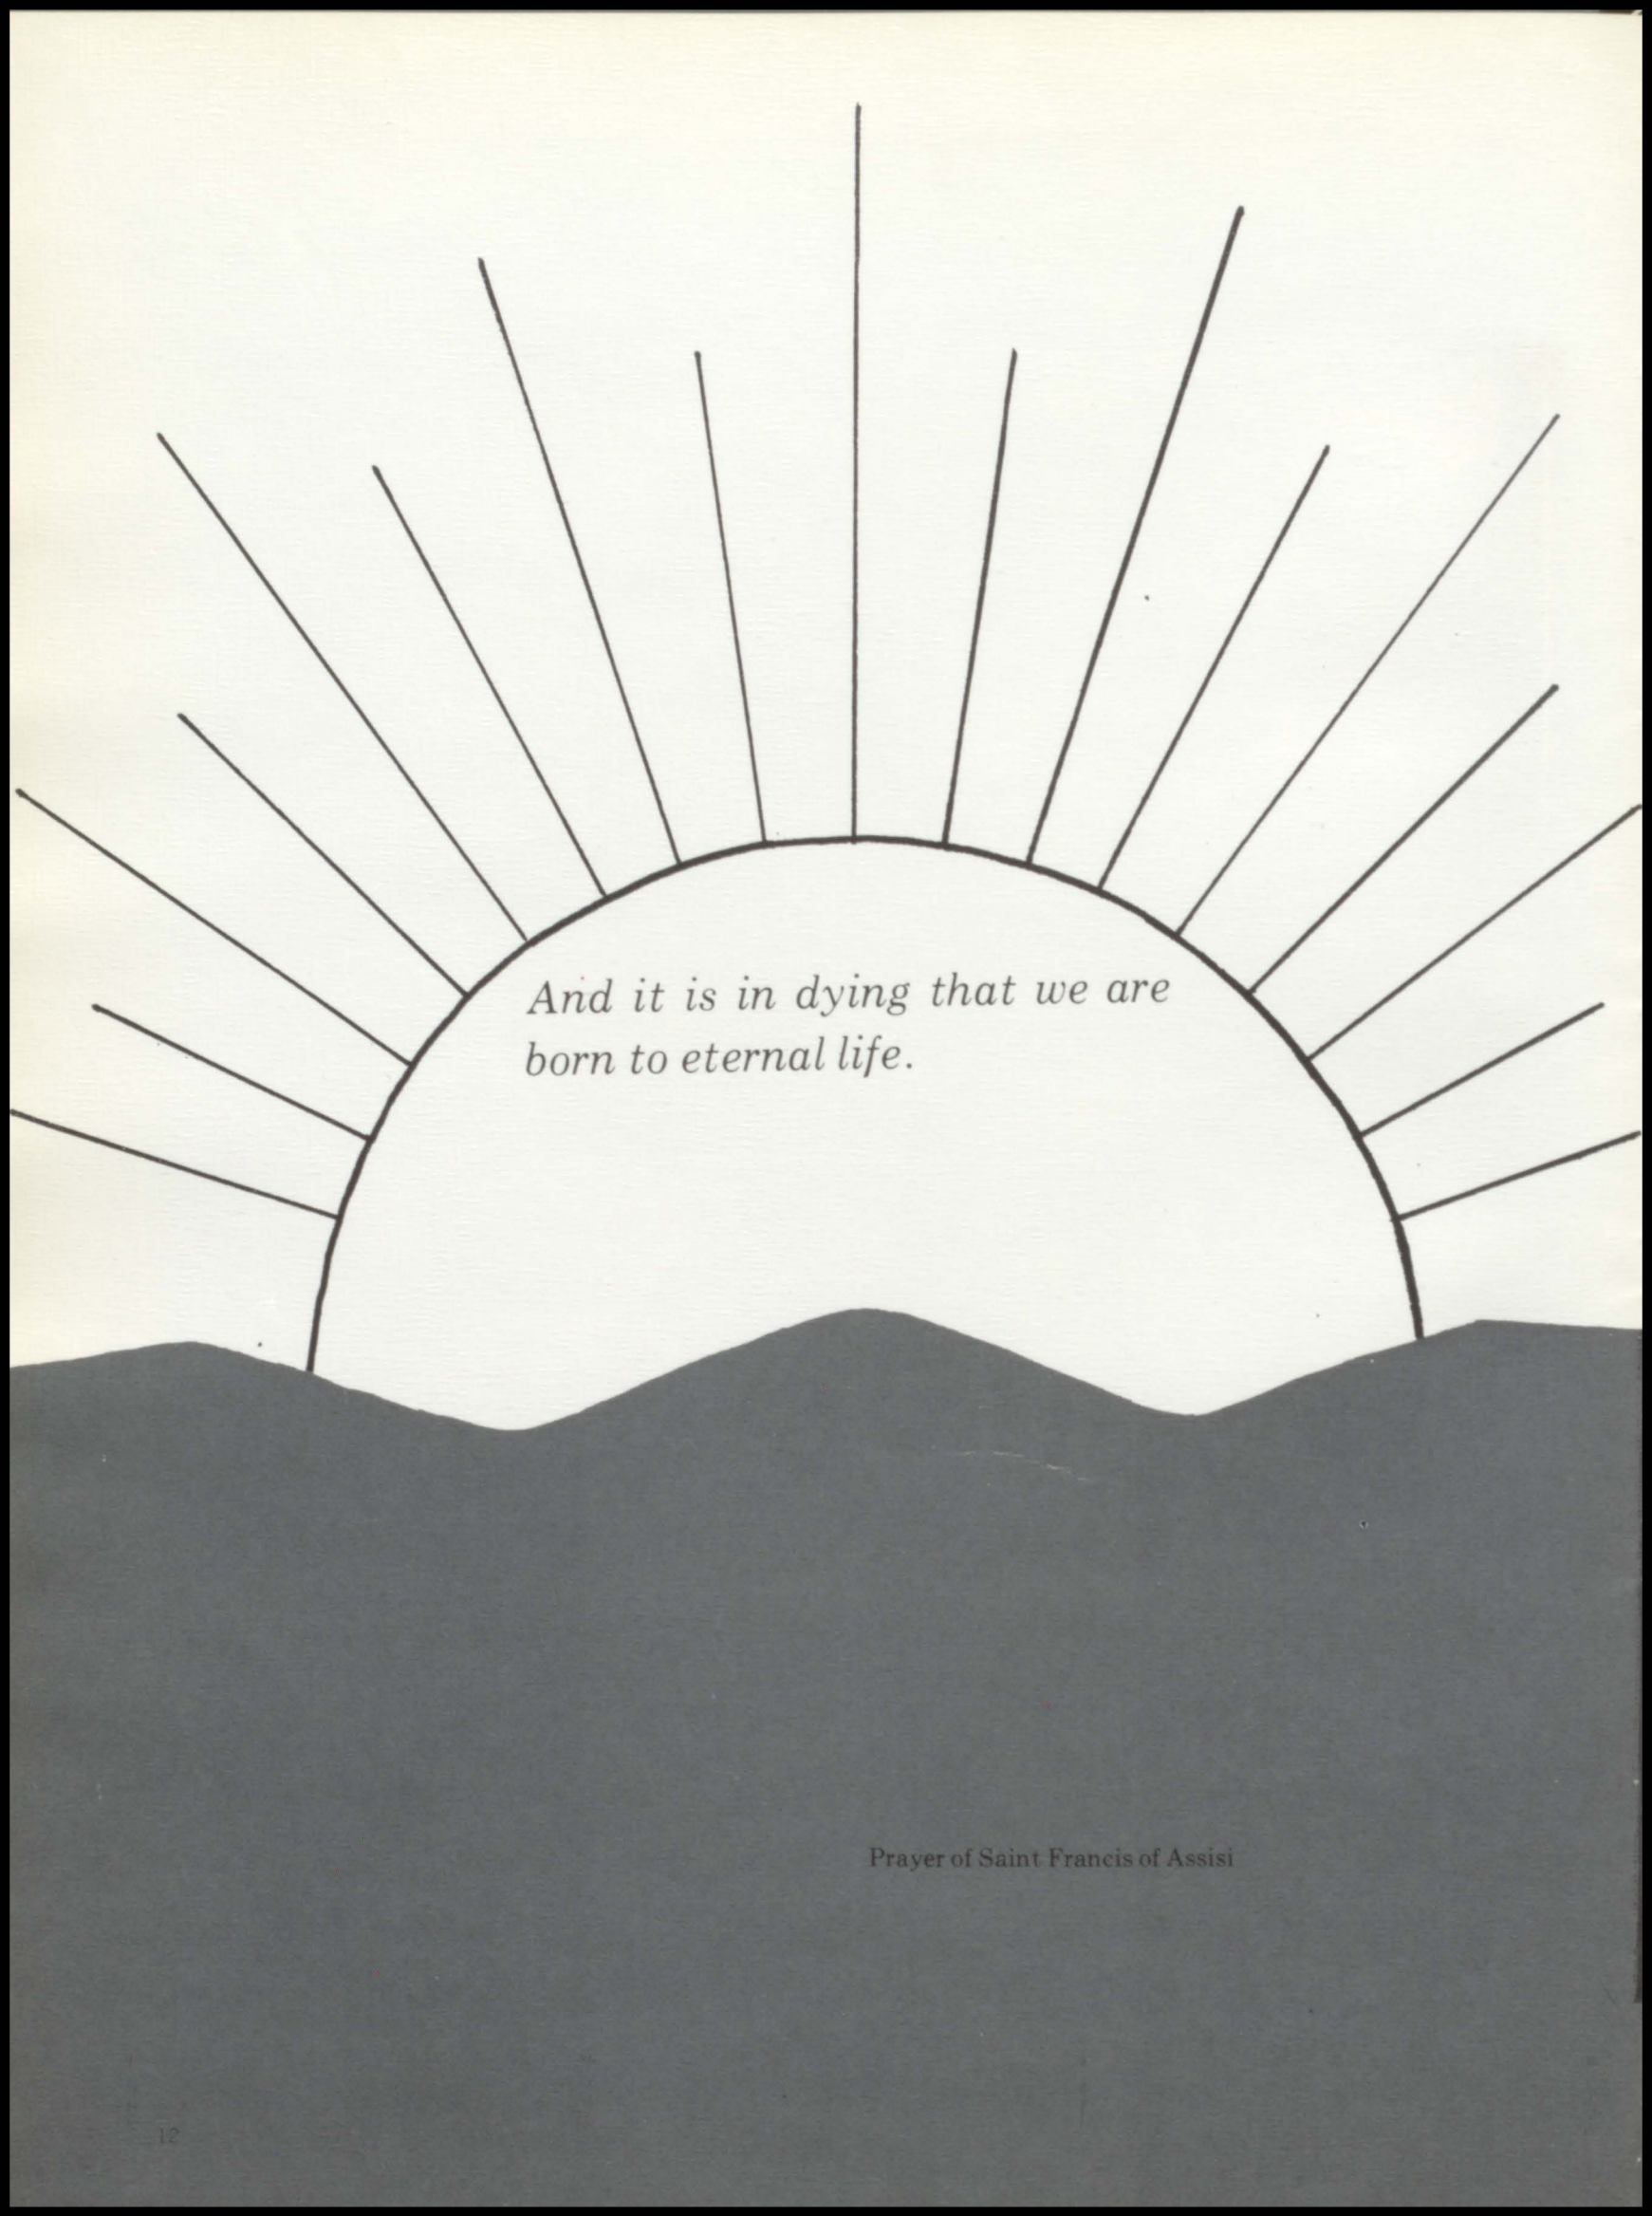

*That We
Receive;*

*It Is in
Pardoning*

*That
We
Are
Pardoned;*

*And it is in dying that we are
born to eternal life.*

Prayer of Saint Francis of Assisi

In Memoriam

*"God gives power to the faint,
and to him who had no might he increases strength.
Even youths shall faint and be weary,
and young men shall fall exhausted;*

Lorna Van Milligan

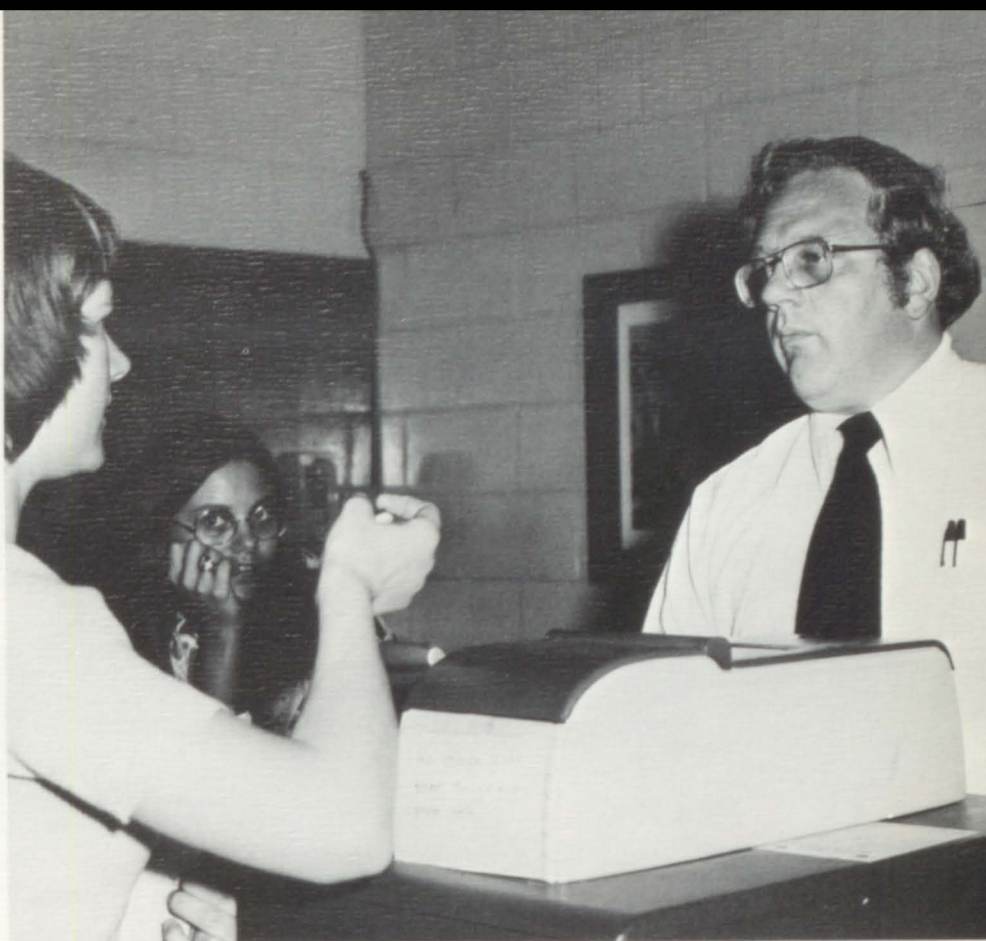

December 16, 1957-August 11, 1973

*But they who wait for the Lord shall renew their strength,
they shall mount up with wings like eagles,
they shall run and not be weary,
they shall walk and not faint."*

Isaiah 40:29-31

Otto's BEAUTY SHOP

Dedication spire 1974

Understanding is a well-spring of life unto him that hath it.
Proverbs 16:22a

Few men possess the well-rounded ability to understand — understanding students, parents, and staff, as well as having the wisdom to coordinate the three.

Because of this gift, you have gained the respect and admiration of the Illiana student body. With appreciation for your willingness to share your gifts with us, we dedicate the 1974 Spire to you, Mr. Otte.

The Christian Service Club was a group of twenty-three girls that devoted its activities to the aiding of people in need. Their projects consisted of sending funds for Multiple Sclerosis, tornado relief (CRWRC), the African famine, the Pullman Christian Reformed Church, and the redecoration of Illiana's chapel. Also, they sent food baskets to Cary, Mississippi and helped Mrs. Lattin, who is confined to a wheel chair with Multiple Sclerosis, with her housework.

They raised the funds through the collecting of approximately 100,000 cancelled stamps and the selling of potato chips throughout the year.

"I've had enough. If you open your mouth again, I'm going to split your skull."

A nineteen-year-old boy has just stood trial for the fatal stabbing of his father. "He doesn't stand a chance," mutters the guard, as he shuffles twelve people into the bleak jury room. It looks like an open-and-shut case — till one of the jurors begins opening the others' eyes to the facts. "This is a remarkable thing about democracy," says the foreign-born juror, "that we are notified by mail to come down to this place — and decide on the guilt or innocence of a man; of a man we have not known before. We have nothing to gain or lose by our verdict. We should not make it a personal thing . . ." But personal it does become, with each juror revealing his own character as the various testimonies are re-examined, the murder is re-enacted and a new murder threat is born before their own eyes!

Crux of the decision is that phrase, "beyond a reasonable doubt." But it soon becomes apparent that most of the jurors have not bothered to doubt. Tempers get short, arguments grow heated and the jurors become twelve angry people.

"You're not going to be satisfied 'til you see it. I'll give you a demonstration."

"Guilty beyond a reasonable doubt. This is an important thing to remember!"

Fearless leader!?

“Carry All for Cary” Project

Dr. Peter Boelens is involved in the Cary Christian Center in Cary, Miss. We were informed that this center was in need of a van for the nurses to bring medicine to those who had no way of getting to the center. The Illiana student body raised the money needed for this van. They raised \$16,105.14 through various projects originated in each 4th period class. The original goal was exceeded and the extra money was used to buy medical supplies for the center.

Ready to go the Distance

The Skimmer 440 and 400
The 650 is the hottest Skimmer. But it's a little hard to think of a 440 or a 400 as cool, even in 10 inches of powder. Fact is, our 440 (left) and our 400 (right) have impressive power-to-weight ratios. Chances are, you'll eat very little snow aboard any of the Evinrude Skimmers.
